

302R: R you ready?

Fully faired sportsbike, **302R** is exciting new motorcycle from Benelli, that promises an engaging and enthralling riding experience, along with the stereotypical good looks expected from the historic Pesaro firm.

Powering the **302R** is an in-line two cylinder 4-stroke 4-valve DOHC Benelli engine, producing 28kW (38 hp) at 11000 rpm and 25,6 Nm (2.6 kgm) at 9750 rpm. The engine is mated to a smooth 6 speed gearbox that delivers a smooth change every time.

The **302R** features a Benelli trademark trestle frame, able to guarantee maximum maneuverability in all conditions. Up front the bike has \varnothing 41 mm upside down forks and on the rear a swing arm with central shock absorber. Also of note is the 14 litre fuel tank capacity of this motorcycle.

The 17" front wheel in aluminum alloy mounts 110/70 tires and in the rear 150/60 tires. The **302R** uses twin \varnothing 260 mm floating discs with a 4 piston caliper brake at the front and a single \varnothing 240 mm disc with a single piston caliper brake for the rear.

The **302R** with ABS is available in white/red, silver/green and black/red color.
