

## BN 125

BN 125 is the Benelli naked bike with a gritty look, ideal for those who are just starting out, but also for all those who have always wanted an easy and dynamic two-wheeler, perfect both for home-office trips and for having fun in the curves. Among the most loved in its category, the small naked from the Pesaro company gets a new look for 2022, presenting a new graphic design and new colors.

The **BN 125** has single-cylinder, four-stroke, air-cooled engine, a maximum power of 8,2 kW/11,1 hp at 9500 rpm and maximum torque of 10 Nm at 7000 rpm, matched to an optimal 5 speed transmission. The fuel consumption, with 1,7 liters per 100 km, is certainly one of the strengths of the BN 125.

**BN 125** has a trestle frame in steel tubes, to ensure maximum agility and maneuverability in riding the bike. The suspension system consists of a 35mm upside-down front fork, and a rear swingarm with a central shock absorber with spring preload adjustment. The fuel tank has 13,5 liters of capacity.

Stopping the **BN 125** is **Benelli's** braking system that gives maximum safety thanks to a steel 260mm diameter disc at the front with 3-piston calipers with CBS and at the rear, a 240mm diameter disc with a two-piston caliper with CBS. The 17" front wheel in aluminum alloy mounts 110/80 tires and in the rear 130/70 tires.

**BN 125** it will be available in white, black, grey and flash green colors from the first months of 2022.
